Chairman  
House Committee on Appropriations  
Washington, DC 20515

The Honorable Rosa DeLauro.  
Ranking Member  
House Committee on Appropriations  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Beacon Hill Water Reservoir project in Fiscal Year 2027. The entity to receive funding for this project is the City of Hoquiam, located at 609 8th Street, Hoquiam, WA 98550.

The funding would be used for the design, decommissioning, demolition, and replacement of the reservoir with a new storage facility. The project is an appropriate use of taxpayer funds because the current reservoir was found to have structural deficiencies that pose an extremely high safety risk if a breach were to occur, including potential loss of life.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Emily Randall". The signature is fluid and cursive.
