The Honorable Tom Cole
Chairman
House Committee on Appropriations

The Honorable Rosa DeLauro.
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Jamestown S'Klallam Natural Resources Special Purpose Building project in Fiscal Year 2027. The entity to receive funding for this project is the Jamestown S'Klallam Tribe, located at 1033 Old Blyn Hwy, Sequim, WA, 98382.

The funding would be used to reconstruct a critical Tribal facility—the Natural Resources Special Purpose Building — from an area repeatedly impacted by flooding, and within Federal Emergency Management Agency designated flood and tsunami hazards zones to ensure that Tribal Citizens and the broader community can reliably and safely harvest, sell, and consume shellfish, salmon, and other natural resources. The project is an appropriate use of taxpayer funds because it would safeguard public health, ensure continuity of essential monitoring, and avoid future emergency federal spending associated with disaster damage.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Emily Randall".
