The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Port of Bremerton's Sewer Infrastructure Rehabilitation and Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the Port of Bremerton, located at 8850 SW State Highway 3 Bremerton, WA 98312.

The funding would be used for the rehabilitation of the Port of Bremerton's sewer infrastructure. The project is an appropriate use of taxpayer funds because the Port's sewer system currently supports 39 total businesses and 2,300 jobs at both the industrial park and airport and refurbishment of the sewer system would ensure that the Port is able to continue to provide uninterrupted services to the public.

The project has a federal nexus because the funding provided is for purposes authorized by the Clean Water Act, 33 U.S.C. 1383(c) (Section 603(c) of the Clean Water Act).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Emily Randall".
