The Honorable Tom Cole

The Honorable Rosa DeLauro.
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Port of Grays Harbor Pilot Boat Replacement project in Fiscal Year 2027. The entity to receive funding for this project is the Port of Grays Harbor, located at 111 S Wooding Street, Aberdeen, WA 98520.

The funding would be used for the acquisition of a newer, safer, and more efficient pilot boat. The project is an appropriate use of taxpayer funds because millions of dollars of commerce and thousands of jobs rely on the Port's ability to safely and efficiently move both American grown/made products to international markets, as well as the Port's ability to handle and transport import cargoes, and having a newer pilot boat will support and grow the Port's pilotage services to support economic activity.

The project has a federal nexus because the funding provided is for purposes authorized by 46 USC 54301.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Emily Randall". The signature is fluid and cursive.
