The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro.
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Jefferson County International Airport (JCIA) Rural Light Industrial Park project in Fiscal Year 2027. The entity to receive funding for this project is the Port of Port Townsend, located at 2701 Jefferson Street Port Townsend, WA 98368.

The funding would be used for the development of a 24-acre rural light industrial park including: site clearing and grading, installation of underground water and wastewater utilities, and construction of a stormwater collection and treatment system serving the industrial park. The project is an appropriate use of taxpayer funds because it will spur job growth and private investment, increase tax receipts, foster economic vitality, and strengthen the ability of communities to withstand potential future environmental and economic shocks.

The project has a federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Emily Randall".

Congresswoman Emily Randall
Washington's 6th District
