Chairman  
House Committee on Appropriations  
Washington, DC 20515

The Honorable Rosa DeLauro.  
Ranking Member  
House Committee on Appropriations  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the South Kitsap Fire and Rescue Fire Engine Replacement project in Fiscal Year 2027. The entity to receive funding for this project is South Kitsap Fire and Rescue, located at 1974 Fircrest Dr SE Port Orchard, WA 98366.

The funding would be used for the purchase of two fire engines. The project is an appropriate use of taxpayer funds because the engines would serve rural communities, provide an enhanced level service, improve the likelihood of a positive outcome from a fire or medical emergency, and maintain or potentially lower property insurance rates.

The project has a federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Emily Randall". The signature is fluid and cursive.
